SWANNER LEADS DREW TO FIRST-EVER FINAL FOUR

Madison, NJ -- Derek Swanner (Monroe, NJ) nailed the game-winner in the 16th minute to advance Drew University to their first-ever NCAA Men’s Soccer Final Four appearance. It was the only goal the Rangers (20-1-2) would need as Drew walked away with a 1-0 victory over Salisbury University Saturday afternoon in Madison, while increasing their NCAA record-breaking shutout streak to an unbelievable 17 straight blankings. Drew has not been scored upon since Sept. 17.

In the 16th minute, sophomore forward Tyler Brisk (Closter, NJ) crossed the ball on a header from the far right corner of the box where Swanner was waiting for the kick in.

Drew keeper Peter Boyer (Haworth, NJ) collected two saves and notched his 17th shutout and the team’s 21st of the season. Jason Cranford (Chesapeake Beach, MD) posted six saves in Salisbury’s effort, as the Sea Gulls close out their season 17-3-2.

“This is a great feeling and I’m proud of my guys and want them to enjoy this,” remarked head coach Lenny Armuth. “Our defense has been unbelievable in minimizing our opponent’s shots. To lead a team to their first-ever Final Four is definitely exciting, but we still have two more games to win to meet the goal we set in pre-season.”

SCORING SUMMARY:

Score by halves:
Drew University 1 0 --1
Salisbury University 0 0 --0
