The official Drew University Women’s Soccer Record Book was compiled in its current format during the summer of 1992 by Sports Information Director Ernie Larossa (Elizabethtown ‘91). Upkeep and further expansion of Drew athletic records is credited to Jennifer Brauner, SID from August, 1994 to the present.

Statistical information contained in this record book are to be considered a true account of statistics for which the athletic department, coaching staff, and sports information office can use for reference when dealing with the media, opponent schools, and the general public.

Women’s soccer was introduced to the Drew University athletic program in the fall of 1987 and has compiled a record of 181-127-22 in 18 seasons of competition.
